KNOW ALL MEN BY THESE PRESENT, that this Declaration of Restrictions and Covenants is made, adopted, published and declared this the 18 day of June 2009, by ALABASTER, LLC, hereinafter sometimes referred to as "Owner";

WITNESSETH:

WHEREAS, the undersigned is the Developer of the real property in the County of Mobile, Alabama, and described as follows:

Alabaster Subdivision as per plat thereof recorded in Map Book 122, Page 45
 , of the records in the Office of the Judge of Probate of Mobile County, Alabama.

WHEREAS, Developer is desirous of placing certain restrictions, conditions and reservations (hereinafter collectively referred to as "restrictions") upon the above described property in accordance with a general scheme or plan in order (a) to protect the owners of each lot against improper use of surrounding lots as will depreciate the value of the property, (b) to preserve, as far as practicable, the natural beauty of each lot, (c) to insure the creation of attractive, well designed, properly proportioned and appropriate homes of suitable materials with appropriate locations on said lots, (d) to insure proper building setbacks from street and lot lines, (e) to provide adequate free space between structures, and (f) in general, to assure the best and most appropriate development, improvement and maintenance of the subdivision and each lot therein:

In the event said committee, or its designated representative fails to approve or disapprove such design and location with thirty (30) days after said plan and specifications have been submitted to it or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Such deemed approval shall be only with regard to those matters subject to approval by the Architectural Committee and does not compromise applicable governmental regulations regarding subdivisions in general. 20. CONSTRUCTION REQUIREMENT: All lot purchasers agree to begin construction of a dwelling on their individual lot or lots within a period of two years from the original purchase date of said lot or lots. All dwellings shall be completed in accordance with the plans and specifications and within the time provided therein. Cost to repair damages will be billed to the lot owner.

21. AMENDMENT OR MODIFICATION OF RESTRICTIONS: Any and all of the restrictions or requirements herein set forth may be annulled, amended, or modified at any time by the Owner/Developer without the consent of the property owners or by the owners of not less than eighty percent of the lots in said subdivision. Any amending instrument shall be acknowledged by the Owner or Owners signing same and shall be filed for record in the office of the Judge of Probate of Mobile County, Alabama, provided that no amendments shall place an additional burden, restriction or requirement on any lot in said subdivision the owner of which does not join in the said amending instrument.

22. PROPERTY OWNERS ASSOCIATION: There has been formed a property owners association which is a non-profit corporation which is the ALABASTER SUBDIVISION Property Owners Association ("POA"). The POA shall have all responsibility for upkeep, and expenses connected therewith, regarding the continuing maintenance and beautification of all common areas, including but not limited to street islands, entrance (median), subdivision's name sign, street signs, lighting, decorative fences, shrubs, etc. The POA shall also be responsible, to the extent not otherwise provided by state and local governments, to maintain, repair and replace drainage easements and related structures, including detention ponds. Each of the undersigned, developer and future lot owner, are and shall be members of the Association, and bind themselves and their respective heirs, personal representatives, successors and assigns to pay to the Association an annual general assessment or charge as herein described. Such assessment, together with interest thereon, and the cost of collection thereof, shall be a charge and lien on each lot and shall be a continuing lien on the lot against which each such assessment is made, and shall be the personal obligation of the owner of such lot at the time that such assessment becomes due.

From time to time the Association may determine the cost of necessary capital improvements, major repairs and necessary expenses not provided for in the Annual General

Assessment. Such cost shall be deemed a Special Assessment. Each lot owner, whether improved or unimproved, shall be assessed its prorated share of the Special Assessment in accordance with the formula set forth in Articles of association. No owner may escape the liability for assessments provided for herein by the abandonment or transfer of such owner's lot.

The first annual general assessment of \$1500.00 per lot shall be paid in advance on the day of closing, and the same day of each succeeding year thereafter. The property owners association at their first and subsequent annual meetings shall have the right to collect annual assessments on a pro-rated basis to establish an annual payment date for all lot owners. Each subdivision lot will be assessed the same amount.

The general assessment levied by the Association annually will be used exclusively for the use, maintenance and operation of the areas and things described above, and such other expenses related thereto, including, but not limited to, utility bills and landscaping expenses.

Each lot in the Subdivision shall represent one vote. If a lot is owned by more than one person, only one vote may be cast. If one person owns more than one lot in the Subdivision, such person shall have a vote for each lot.

The Directors of the Association shall, by a majority vote, recommend the amount of the annual assessment and shall submit the same to the lot owners for approval. If the amount recommended does not exceed a total annual assessment of \$1500.00, such recommendation will become effective upon the affirmative vote of a majority of the lot owners. If the amount recommend exceeds a total annual assessment of \$3000.00, then an affirmative vote of 75% of the lot owners shall be required to establish such an increase. If the recommended annual assessment is not adopted prior to September 1st of any year, then the annual assessment shall remain for that year the same as the previous year.

The lien for unpaid assessments shall be effective from and after the time of recording a claim of lien in the Office of the Judge of Probate of Mobile County, Alabama. The claim of lien shall describe the lot, the name of the lot owner, and shall specify the amount of the claim and the period covered thereby.

Upon full payment of all amounts secured by the lien, the party making payment shall be entitled to a recordable satisfaction of lien.

Upon any voluntary conveyance of a lot, the Grantor and the Grantee of such lot shall be jointly and severally liable for all unpaid assessments pertaining to such lot, duly made by the Association or accrued up to the date of such conveyance, without prejudice to the right of the Grantee to recover from the Grantor any amounts paid by the Grantee, but the Grantee shall be exclusively liable for those accruing while he is the lot owner.

Any lot owner or any purchaser of a lot prior to completion of a voluntary sale, may require from the Association a certification showing the amount of unpaid assessments pertaining to such lot, and the Association shall provide such certificate within (15) days after request therefore. The holder of a mortgage or other lien on any lot may request a similar certificate with respect to such lot. Any person other than the lot owner at the time of issuance of any such certificate, who relies

upon such certificate, shall be entitled to rely thereon, and his liability for such unpaid assessments shall be limited to the amount set forth in such certificate.

If the total assessment is not paid within thirty (30) days after the due date, then there shall be added thereto:

- (i) A late payment charge of \$100.00; and
- (ii) The balance remaining due shall bear interest from the due date at the rate of ten (10%) percent per annum.

The association may bring an action at law against the owner personally obligated to pay the same, or may foreclose the lien created against the property by the terms of this document, in accordance with the statutory provisions of the laws of Alabama then in effect for the foreclosure of a mortgage. A money judgment for unpaid assessments may be taken without waiving the lien securing the same.

23. No lot shall be conveyed, devised, leased or demised at any time hereafter except as being subject to the covenants, terms, conditions, restrictions, and limitations, herein contained, and the obligation to observe and perform the same; and whether or not it be so expressed in the deeds or other instruments of conveyance of the property, the same shall be absolutely subject to the covenants, terms, conditions, restrictions and limitations herein contained, which shall run with and be appurtenant to the land and every part thereof, as fully as if expressly contained in proper and obligatory covenants or conditions in each and every contract and conveyance of, or concerning any part of the land or the improvements to be made thereon.

24. Each property owner and future property owner acknowledges that the Mobile area is subject to approximately 60 inches of rain per year and hence this Subdivision and each lot therein is subject to heavy rainfall and surface waters flowing across said lots as a result of such rainfall. Each future owner or owners of any lot in ALABASTER SUBDIVISION acknowledges that the Developer has complied with all subdivision requirements of the County of Mobile, including but not limited to street, drainage and utility requirements as evidenced by the execution of the plat of this Subdivision by the County of Mobile.

Each owner or future lot owner of any lot in ALABASTER SUBDIVISION, by the acceptance of a deed subject to these restrictions, does herewith concur, consent and agree that the Developer's compliance with such subdivision requirements constitutes the exercise of reasonable care.

25. Should any future owner or owners of any lot or lots within ALABASTER SUBDIVISION or any of their heirs, executors, administrators or assigns, violate or attempt to violate any of the covenants, terms, conditions, restrictions and/or limitations herein contained, any person or persons owning any real property situated in said Subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate the same, to prevent such person or persons from so doing, or to recover damages for such violations or attempted violations.

26. The Developer herein expressly reserves unto itself the sole and unilateral right to amend, modify, change, cancel or annul such covenants, limitations and restrictions in whole or in part, at any time during the term of same as existing, or as may be amended, modified, changed,

cancelled or annulled in accordance with the foregoing reservation. Such action on the part of the Developer is to be evidenced by an instrument executed by a duly authorized agent or partner of Developer and recorded in the office of the Judge of Probate, Mobile County, Alabama.

It is expressly reserved and stipulated herein that such actions may be taken by Developer in accordance with the foregoing authority and power, may result in any, all or part of any covenant, restriction or limitation as existing or as may be amended or changed, being either more or less restrictive or burdensome than the foregoing covenants, restrictions or limitations contained herein.

No action on the part of the Developer pursued in accordance with the foregoing reserved authority shall place an additional restriction or limitation on a specific lot previously conveyed by Developer, unless the then owner of same shall consent thereto by joining in said instrument, or by executing such other instrument as will properly evidence owner's consent, the same being subsequently recorded as set forth hereinabove.

27. TERM: The foregoing restrictions shall run with the land and shall be binding on all lot owners, or upon all parties and persons claiming under or through them, each of whom shall, by virtue of his acceptance or acquisition of title or other interest, accept and agree to be bound by and to abide by all terms and provisions of this instrument, all of which shall be and remain in full force and effect until January 1, 2020. After which time said restrictions shall automatically be extended for successive periods of ten years unless amended pursuant to paragraph 17.

28. ENFORCEMENT: If any person or persons shall violate or attempt to violate any of the restrictions contained herein, it shall be lawful for the developer or any party owning any real property situated in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such restriction and either to prevent him or them from so doing and to recover damages, which shall include a reasonable attorney's fees, for such violation. Neither the Developer nor its employees, agent or assigns or any of its partners or their representative, heirs, personal representatives, successors and assigns (jointly referred to as Developer) shall be liable to any lot owner or lot owners in ALABASTER SUBDIVISION for the manner in which the Developer exercises, or for its failure or refusal to exercise, any right or authority herein granted to Developer whether discretionary or not; for the failure or refusal of any lot owner to comply with any of the provisions hereof; or the failure or refusal of the Developer to enforce any of the provisions hereof against any lot owner.

29. SEVERABILITY: Invalidation of any one of the covenants by judgment or court order shall in no wise effect any of the other provisions which shall be and remain in full force and effect.

30. WATER & GAS CONNECTIONS: Each lot owner must enter into a contract with South Alabama Utilities for water and gas connections and services. All connection fees are the responsibility of the lot owner.

IN WITNESS WHEREOF, ALABASTER SUBDIVISION has caused this instrument to be executed in its name and on its behalf by its officers thereunto duly authorized on the date set out in the acknowledgement below.
